

RULES FOR ENTRY TO THE FAIR

1. In all indoor and outdoor areas of the exhibition centre, the visitor must have a covered air passage with a respirator or similar device.

2. To enter the fair, the visitor must meet one of the conditions as follows

A. Vaccination

- At least 14 days have passed since the last dose of the vaccine.

Vaccination is proven by certificate.

B. Negative test

- RT-PCR test no older than 3 days
- POC antigen test no older than 24 hours

The negative result of the test is proven by a report from the taking centre or by certificate.

C. Past disease COVID – 19

- Passed disease in the previous 180 days

The passing of the disease is proven by providing a certificate.

D. On-site test

- Undergoing an on-site preventive antigen test in a sampling laboratory with a negative result.

The test site is located in the visitor parking lot at the PVA EXPO Letňany.

This testing is subject to a fee.

Testing is documented by an on-the-spot certificate issued.
